

A TRAUMA INFORMED RESPONSE TO PROTESTS

OCTOBER EDUCATIONAL ONLINE FORUM **Monday, October 26, 2020** **1:00 - 2:30 pm**

ABOUT THE FORUM: With the global pandemic and racial inequities, American public life this year has been filled with political and civil unrest.

Given the deeply partisan electoral politics and uncertainty about election integrity, there are concerns that leading up to and the aftermath of the November 3rd election may result in widespread protest and civil unrest. The purpose of this educational forum is to help city leaders understand community trauma, explore lessons learned from previous periods of civil unrest and begin to thoughtfully, equitably, and strategically plan to provide a trauma-informed response to protest activity.

This forum is organized by All Children Thrive - California and the League of California Cities.
