

DID YOU KNOW?

PERRIS *Healthy Options* at Checkout CAMPAIGN

THE PLACEMENT OF FOOD AND BEVERAGES IN STORES PLAYS A KEY ROLE IN DETERMINING WHAT PRODUCTS PEOPLE PURCHASE AND CONSUME.

Perris community members may want to make **healthier food choices**, but it can be difficult when cheap, ready-to-eat foods that are **high in salt, saturated fat, and added sugars** are at eye-level, more available and marketed heavily.

The **Perris Healthy Options at Checkout Campaign** is a community-led movement in three cities (Fresno, Perris and Stockton) throughout California to adopt a healthy retail policy that can address the burden of diabetes and obesity in low-income communities and communities of color.

We're hoping you will join us in this effort!
